DIGITAL SERVICES INCLUDED

All clients of Médica Health, Integral Health, **Prestigio and Adapta + Sonrisa Esencial Health**, have access at no additional cost to the following services:

NEW!

Virtual Gym: If sport is health, your insurance should include it.

That's why you now have 3 live classes a week so you can train whenever you want, adapted to your level of intensity. There are no more excuses, transform your home into your wellness center with your health insurance. Access to the Virtual Gym is through the Caser app Salud, in the space Mi Bienestar Emocional. Valid for each insured person of legal age included in the policy. Free service until 31/12/2025.

Mi Bienestar Emocional

Online platform for the care of the mind and the management of emotions. A program that will give you guidelines, advice and recommendations to improve your emotional wellbeing, through different courses with live classes.

Available in 2025 new courses: Yoga, Bring out the best version of you, Order your life, among others. In addition, with access to the previous ones: Mindfulness, Stress management, How to sleep well, Pilates, Nutrition... Valid for each adult insured included in the policy. Service free of charge until 12/31/2025.

CentroMédicoCaser

Telemedicine Service, where Video / TeleConsultations and consultations by Chat, both General Medicine, Pediatrics, as multiple medical specialties (Psychology, Traumatology, Gynecology, Cardiology, Dermatology ...). You will also be able to access treatments such as rehabilitation, psychology, etc.

Selfie Health

Exclusive digital service of Caser Medical Center that allows you to obtain important physiological and psychological health indicators, through facial scanning from your cell phone and in just 30 seconds. With Selfie Health, you can monitor your overall well-being every day, as it offers results of more than 15 health indicators, such as: heart rate and respiratory rate, blood pressure, stress index, body mass index, facial age, risk of cardiovascular disease... And with a mental health evaluator to measure your level of anxiety and mood alteration with only 5 questions. In addition, you will be able to consult your measurement history and share the results with your doctor whenever you want. Service available free of charge until on 12/31/2025.

Symptom evaluator

An AI-based virtual assistant that, based on a series of questions about your symptoms, provides you with information about what might be wrong and advises you and refers you to the most appropriate level of care or specialist.

You can also download and share your evaluations and consult your history. Service available on the Caser Salud app, free of charge until 31/12/2025

My Medical History

From now on, our policyholders will be able to access their medical reports from

the main private hospitals and share them from the Caser Salud app.
