---------------------------------	---------

10% DISCOUNT
on grooming, training and boarding services

* Anaesthesia included for animals up to 40 kg.

N/C: No Charge for insured pets.

1. All emergencies must be coordinated via phone: 93 550 90 36.
2. All emergency procedures **will have a 25% surcharge** over base rates.
3. Treatment prices **exclude**: IV fluids, medications, prosthetics and orthotics, as well as pins, meshes, plates, cerclage wires, and neonatal resuscitation, if needed.
4. In regions where vaccination is mandatory, bureaucracy-related costs will be charged at the private clinic's rate.
5. Not all procedures listed may be available at every partner clinic.
Please check availability.
6. "Specialist consultation" applies only to the categories specified in this rate.
7. "Consultations, follow-ups or veterinary acts" performed by external professionals will be billed at private rates.
8. "Day hospitalisation" is according to each centre's schedule.
9. "Life-threatening emergency" is defined as an unexpected and severe medical situation that requires immediate veterinary attention, posing a critical risk to the animal's life and which cannot wait for a standard consultation.
10. Electronic prescriptions are only linked to a scheduled video consultation and subject to applicable laws.
11. Any services not listed in this rate will be billed at the clinic's private rate.
